

In-Flight Experience Summit

October 18-19, 2022
Vienna, AUSTRIA

Co-located with
Aviation Forum Austria | October 19

Organized by

With support from

In-Flight Experience Summit is the new event that brings together experts across the aviation industry involved in shaping the future of air travel.

On the first day, learn from industry experts, share your challenges and explore breakthrough technologies. On the second day, engage with your peers by booking meetings ahead of the event and visit the expo zone to update yourself on new technologies and applications that can improve flight experience.
